Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A prospective tenant (Renter)	securely discover verified rental properties and seamlessly schedule physical tours	I have to sift through unverified listings and rely on manual, uncoordinated back-and-forth messaging to secure a viewing time	existing platforms lack a unified booking coordinator and do not verify the legitimacy of the landlords posting the ads	anxious about potential scams, frustrated by the slow process, and stressed about missing out on good properties
PS-2	A real estate landlord (Property Owner)	list my rental properties and efficiently manage tour	my inbox gets flooded with unqualified spam, and tracking schedules across text messages	current platforms lack an integrated "Lease Scheduler" for 1-click approvals and don't offer	overwhelmed, unprofessional, and
