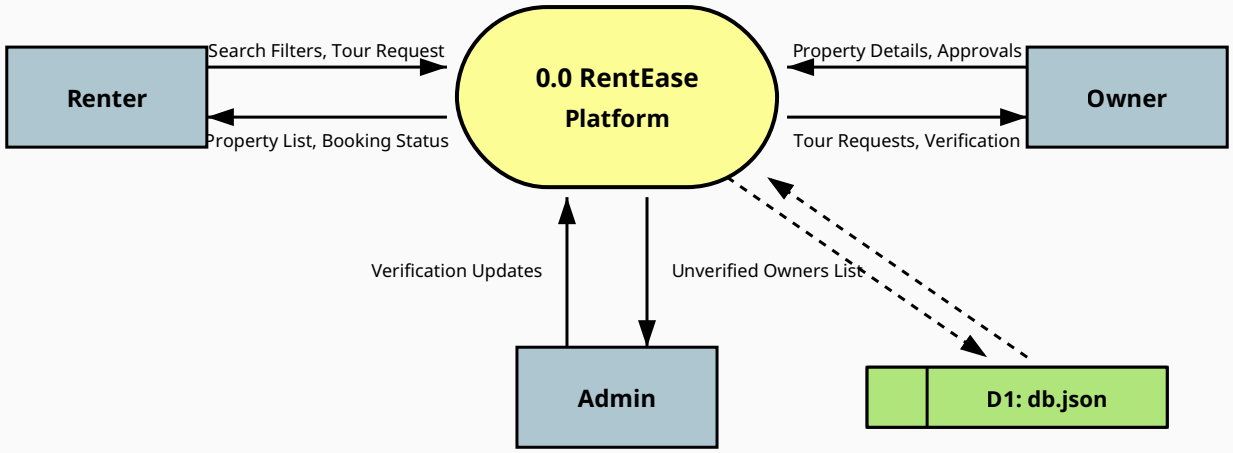
Project Design Phase-II
Data Flow Diagram & User Stories

Date	July 2026
Project Name	RentEase Platform
Maximum Marks	4 Marks

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.

RentEase: DFD Level 0 (Context Diagram)



User Stories

Use the below template to list all the user stories for the product.

User Type	Functional Requirement (Epic)	User Story Number	User Story / Task	Acceptance criteria	Priority	Release
Renter (Web/ Mobile)	Registration & Login	USN-1	As a Renter, I can register and log in to the application by entering my email and password.	I can securely access my dashboard utilizing a JWT token.	High	Sprint-1
	Property Discovery	USN-2	As a Renter, I want to filter the Dynamic Explorer Grid by location, type, and price limits.	I can view a refined list of properties that match my specific criteria instantly.	High	Sprint-1
	Tour Booking	USN-3	As a Renter, I want to use the inline scheduler to request a physical property tour.	I can select a date, and the status updates to 'Pending' on my dashboard.	High	Sprint-2
Property Owner	Registration	USN-4	As an Owner, I want to create an account to list my real estate properties.	Account is created but gated by an "Awaiting Verification" screen.	High	Sprint-1
	Property Management	USN-5	As an Owner, I want to use the Listing Composer to add a property with images and rent.	The property is successfully added to the database and displayed in the main grid.	High	Sprint-2
	Property Management	USN-6	As an Owner, I want to toggle a listing's active status or delete it entirely.	The property visibility is instantly updated for all viewing renters.	Medium	Sprint-2
	Tour Booking	USN-7	As an Owner, I want to view my Lease Scheduler to click "Approve" or "Cancel" on requests.	The renter's UI reflects the approved or cancelled status immediately.	High	Sprint-2
Administrator	Verification Portal	USN-8	As an Admin, I want to view a list of all newly registered property owners.	I can see all owners whose accounts currently have 'approved: false'.	High	Sprint-1
	Verification Portal	USN-9	As an Admin, I want to click a button to verify and approve a landlord.	The owner's status updates, and they are unlocked from the gated screen.	High	Sprint-1
